

**ROUND 2 INTERVIEW**  
**July 8, 2022**

**BRANDON HAGY (-12)**

---

**Q. Brandon, a long day, 10-under 62. I was asking you about your shot at 18. Why don't we start with that, if you can just take us through 18 real quick?**

**BRANDON HAGY:** Yeah, I was on the side slope over there in the rough and it was a left pin, so not a lot of stuff going for me there. But caught a decent lie and when I hit it my caddie thought it was a little too much and I was like no, I think it's pretty good. It just landed, took one hop and went right in the hole, so that was pretty cool.

**Q. And you said it was a 50-degree gap wedge?**

**BRANDON HAGY:** That's correct, yes.

**Q. And then your five out of six birdies on five of six holes on your front nine out, at what point, where were you when they called the rain delay?**

**BRANDON HAGY:** I think I was at 7 under when they called it.

**Q. On what hole?**

**BRANDON HAGY:** We played nine holes. I holed out on 18.

**Q. So you got the long break, you come right back, don't lose any ground.**

**BRANDON HAGY:** Yep.

**Q. You've just got to be really pleased with the overall round?**

**BRANDON HAGY:** For sure. I hit a lot of fairways with driver, which is big for me. If I can get the ball in play and position, with my length it kind of makes any of the rest of the game a little bit easier. Rolled in a few putts and chipped in on the last hole, too, so two hole-outs always helps the cause.

**Q. And last two questions and I know this is kind of an obvious answer, but just want to hear it in your words. How much longer did the course play after you went back out? Actually, when you went back out between yesterday and today.**

**BRANDON HAGY:** Yeah, not getting any roll-out there, so it played quite a bit longer. It's a little bit of an advantage for me just because of how far I hit it, I'm able to carry it pretty far down there, not lose as much ground as some guys.

**Q. Last question, just how you've been feeling about your game coming into the week. Pretty confident?**

**BRANDON HAGY:** Yeah, it's been a little bit kind of up and down, missed some cuts, made some cuts and haven't had a good weekend I have a belief inside that when I start stringing holes together and start putting my good golf together that I can shoot 62, so I just kind of have been trying to focus on that and it happened today, so that's great.
