

**ROUND 2 INTERVIEW**  
**July 8, 2022**

**SEAN O'HAIR (-11)**

---

**Q. Sean, I know that was a long day, but obviously a good one, 7-under 65 today. Just a few comments about the round?**

**SEAN O'HAIR:** Yeah, it was a super long round. The course is very gettable, especially after the rain it's just like throwing darts out there. You just kind of know to keep pace you're going to have to shoot 4, 5 under every day on this golf course, so it kind of simplifies the approach. And I think my approach the last couple days has just been attack, go pretty much at all the pins and it seems to work out so far. Made a couple nice putts at the end and yeah, it's just one of those courses you really have to take advantage of the par 5s and kind of attack as much as you can.

**Q. I know this is kind of an obvious answer to the question, but how different was the course today than yesterday given all the rain that it took?**

**SEAN O'HAIR:** Yeah, it was kind of -- it looks like they struggled with some rain because it was kind of burned out at the beginning of the week and I think as the week's gone on we've gotten a little more rain and it's played softer and softer and softer, so it definitely has played a little bit different. Played a lot longer off the tee this afternoon than it did this morning, and yesterday the ball was going forever in the afternoon, so definitely played a little longer today.

**Q. And finally, just some thoughts on how you've been feeling about your game coming into the week?**

**SEAN O'HAIR:** You know, I've actually been feeling pretty good about my game, just seems like every week I'm making the cut on the number or missing the cut by a shot and haven't been really scoring very well, but overall I felt like all the facets of my game were kind of right there and just a little bit of momentum. I feel like if I get some momentum and get a little bit of confidence, everything's right there, so we'll see.
