

ROUND 2 INTERVIEW
July 8, 2022

YANNICK PAUL (-11)

Q. Yannick, 5-under 67 here at the Barbasol Championship second round. Just how pleased are you with today given the fog delay and the lightning delay as well?

YANNICK PAUL: It was a long day today. I got here at 6:30, I think now it's 6:00 p.m. so it was a long day. It's a long day for everyone. My game feels solid. Drove it pretty well and putting was really good, so yeah, just try to stick to my process and see where it ends up.

Q. You responded to the delay really well with birdies on 10 and 11. What was the mindset during the delay? What did you do while you had to wait?

YANNICK PAUL: I just tried to relax, don't really think about it too much and then take it out; whenever they say when we have to come back out is when we go. So I just tried to talk to my friends, to my colleagues and just kind of had a good time and enjoyed it and didn't try to think about it too much.

Q. Might know it's College Day here at the Barbasol Championship. You're no stranger to playing golf here in the United States. Can you just talk us through your history at the University of Colorado?

YANNICK PAUL: Yeah, I had an unbelievable time at the University of Colorado. I actually still live in Colorado, so I practice with the team when they're in town and I still talk to Coach Edwards all the time. I'm still really close with all of them and I really enjoyed my time, so now I'm just trying to give back to the team and help in any way possible.

Q. Your twin brother, Jeremy, plays on the Korn Ferry Tour as well. Did you have a chat with him just about golf courses on the KFT, on the PGA TOUR as well?

YANNICK PAUL: Not really specifically about the golf course. I've played so much golf in the U.S. and I live in the U.S. so I kind of know what to expect, but we talk every day and we're really close. Yeah, hopefully we'll be on the PGA Tour together as soon as possible.
