

ROUND 2 INTERVIEW
July 9, 2022

MAX McGREEVY (-16)

Q. Max, incredible round, kind of broken up over two days maybe, but 10 birdies, just one bogey. How do you feel about that?

MAX McGREEVY: It feels great. I don't know if I put 10 birdies together in a tournament the last couple of weeks, so to put it together in one round regardless how easy the course was playing felt really good. Golf swing feels good, putter feels good. Just kind of giving myself looks and just seemed to keep going in the hole.

Q. We mentioned spaced out over two days. How are you able to kind of get on a roll, have to stop, keep your right mindset, come back out and keep it going?

MAX McGREEVY: Yeah, it stinks sometimes, but honestly, we didn't even think we were going to play yesterday, so to end up getting nine holes and to play like I did yesterday made it easier for me to wake up this morning and come do it again type of thing. It stinks when you lose that momentum that you had but I knew my game felt good, so waking up this morning and feeling it on the range again, it felt like it was kind of go from the start again type of thing.

Q. Are you the type that can kind of keep yourself in check? You probably want to go right back out and keep this going, but you're obviously in great position heading into Round 3. Are you pretty good at kind of giving yourself a little talk to kind of take things one at a time?

MAX McGREEVY: Yeah, for sure. It's kind of what I said, I haven't played this well for a long time, so I'm just kind of enjoying the moment right now, enjoying good golf. It's been tough the last two, three months. It feels like a lot of hard work, so this feels like the hard work's paying off. Kind of just living in the moment and just enjoying good golf. Hopefully can do that these next two rounds.
